

Every word you say builds your child's brain

Research shows that children do better in school when their parents talk and interact with them from birth. Make the most of your time together by using the **3Ts**.

Tune In: Be in the moment.

Talk More: Use a wide variety of words.

Take Turns: Engage your child in conversation.

When you use all **3Ts** at once, you build the strongest possible brain for your child.

Playtime

During your next playtime,
you could talk about the:

- tall tower
- noisy truck
- sleeping dolly
- silly song

Mealtime

During your next mealtime,
you could talk about the:

- crunchy apple
- orange crackers
- 2 cookies
- leafy broccoli

Bath Time

During your next bath time,
you could talk about the:

- tiny bubbles
- wet baby
- floating duck
- slippery soap

**Pay attention to what
your child is focused on,
then talk about it to have
a conversation!**
